

## RLA Meeting Minutes 7/11/2021

In attendance: David, Doug, Chuck, Mike, Chris, Marty, Marc,

In its regularly schedule July meeting:

- Membership:

Marc reports 142 members to date.

- New Board Member:

Chuck Sussman has stepped down from his position on the board. Michele Lange was nominated (by Doug) and unanimously approved to take his seat and fulfill the rest of his term.

Thank you Chuck and welcome Michele.

- Dredging:

We are on track to commence phase two (Crescent Beach) of the dredging plan started last year. Doug has been in contact with our contractor who will do the beach area this fall.

In addition we are hoping to have the bag from phase one removed by the end of the summer. Targeted fund raising will begin shortly.

- Vendors List;

We have been in contact with Fox Hill Lake Assoc. in order to cooperate on a vendors list leveraging numbers from both neighborhoods. Hopefully this added benefit will lead to more members for both associations.

- Mountain Rd Dock:

The RLA will continue efforts to repair/replace the dock on the Mt Rd access way. A targeted fund raising campaign will be the first step.

- Picnic:

The picnic is scheduled for August 7<sup>th</sup> starting @ 1:00pm. Jeff and Alan are this year's co chairs for the Rainbow Lake Summer Gala event. With those two heading it up, it promises to be a not to miss affair.

Next: August 2021
