By phone: Marty

In its regularly scheduled June Meeting:

- Acceptance of 5/12/18 minutes 8-0.

- Membership:

We are at 97 total members down one from this time in 2017.

Thank you to Chris Belden for his outreach program.

- P+L:

Will have our mapping data soon.

The board held a discussion on ways to objectively measure P+L's success in lake treatments beyond anecdotal accounts.

- Landscaping:

Chuck will ask for volunteers to oversee planting at the Lakeside Beach area. Donations will be sought to buy the plants.

Jeff will head up a work party to weed the buffer garden at Crescent Beach.

- Boat Stickers

In another attempt to contain the proliferation of boats on common areas, the Board will advise members that boats without stickers will be removed after the picnic. Also, to facilitate winter maintenance, all boats will need to be removed at drawdown. (Usually Thanksgiving weekend)

- Picnic: Dan will coordinate. (Saturday 8/4)

- Upcoming Dates:

Next Meeting: 7/10/18 @ 6:30 .
