

RLA Meeting Minutes 1/8/2019

In attendance: David, Doug, Kristen, Chuck, Chris, Jeff and Marc

By phone: Marty

In its regularly scheduled January Meeting:

- Membership:

Marc will draft the membership letter for the coming year. As per usual it will go out in February.

The Board voted not to raise the dues for 2019.

- Treasurer's report:

We finished 2018 with a small surplus.

- Lake Treatments:

The Board voted to sign a three year contract with Pond and Lake. The longer contract allows the RLA to have cost certainty going forward while also costing less per year. By paying for a full year's treatment at the beginning of each year, we will obtain a significant discount on the cost of lake treatments. The Board voted to make the upfront payments using LIF funds. Dues will be used to repay the LIF each year as the dues come in. There will be no net use of LIF funds for lake treatments.

- Work projects:

Priorities for 2019 will be

Removal of dead trees around the lake.

Beach Buddies. (rakers)

Parking signs and gravel for parking area.

New boat racks. Location TBD

- Town of Ridgefield:

Sediment removal. We are waiting for a response from the Town from a recent request for status on the project.

- Calendar

The Board approved the calendar of events for 2019. It will be put on the website and facebook.

- Meetings:

The Board decided to change the number of open meetings from four per year to two. Open meetings will be in May and November.

Next Meeting: 2/11/19 @ 6:30.
