In its regularly scheduled November Meeting:

- Membership:

We have 105 total memberships, down slightly from last year. Jeff reports he sent a letter to past members asking for dues.

- Business items:

Due to ongoing problems with garbage pick up (lack thereof, dog waste etc) we will discontinue the beach side service. Members will be advised to carry in and carry out. Doug reports he has cancelled pickup.

The Lakeside Beach boat rack needs some repair. The fence is in need of repair as well. A weekday committee, headed up by Jeff, will tackle it.

The Board is moving ahead with its commitment to dredge one of the coves in most need. A letter will be sent to contiguous neighbors alerting them of the potential project.
