

RLA Meeting Minutes 11/15/2021

In attendance: David, Doug, Mike, Chris, Jeff

Phone: Marty

In its regularly scheduled November meeting:

- Budget:

Due to record high membership Mike reports a surplus of \$8,606.

- Aeration:

The board discussed the benefits of aeration in improving water quality and appearance. Further research of costs involved and potential for fountains in various locations will be explored.

- Dredging:

The board is currently engaged with a potential dredging project on/near Lakeside Beach. Discussion centered around paying for the project, with neighbors actively involved in negotiations with the Board to fund some or all of the project.

- Work Projects:

The Board is still looking for a “project manager” for potential improvement of the dock on the MT Rd accessway.

- Tag Sale:

The Tag Sale was a great success again this year. Income to the lake was approx. \$1365. Thanks to all who helped.

- Holiday Party:

Time and Place TBD

Next: January 2022
